**I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:**

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

**Please check one of the following:**

- I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- One or more of the utility's proposed routes would cross my property.

Other. Please describe and provide comments. You may attach a separate page, if necessary. My  
property is located off of FM 500, where the proposed route is.  
This would damage the scenic views, disrupt the wildlife,  
adversely affect the ecology at the river crossings, + would not  
have any positive benefits for San Saba County.
